# Membership Application & Renewal 2015

## MISSION

To promote and advance the cooperative civic, commercial and professional welfare of the Mount Greenwood community.

To promote the use and practice of the Principles of integrity, good faith, equity and fairness in business transactions.

## WHY JOIN THE CHAMBER ???

Small businesses and the Chamber are the life of the community. Your dues help to keep the business district alive. The Chamber's input is essential to prevent the small businesses from failing and stop large chains from sending profits to other states. Businesses listen to other businesses that are surviving this economic challenge. Your Chamber is the network to survive through advertising, web site, facebook, special events, promotions and fund raisers. Do not look past joining your local chamber and support your community where you live and work.
